

## **Majed Smeirat elected to Arab Insurance Institute Board**

**Jordan Daily – Majed Smeirat, Chairman of the Jordan Insurance Federation and General Manager of Middle East Insurance Co., has been elected to the Board of Directors of the Arab Insurance Institute during its annual general meeting in Damascus.**

**Smeirat, who also represents Jordan’s insurance market on the General Arab Insurance Federation (GAIF) Board and its Executive Committee, was selected for his deep industry expertise and his role in advancing the insurance sector in Jordan since 2018. His leadership has focused on enhancing training and workforce development within the sector, aiming to better prepare the industry for future challenges.**

**Smeirat’s appointment to the GAIF Board is anticipated to bring significant value, given his track record of establishing key partnerships with local, regional, and international stakeholders, including the Central Bank of Jordan.**

**The Arab Insurance Institute’s mission includes training and developing insurance professionals across the Arab world through specialized programs, while also promoting insurance literacy and serving as a regional hub for best practices.**

**The meeting also saw the election of other board members, representing various Arab insurance companies and industry experts.**
